

Uni Eagle

Spice up your life!

This fiery-aromatic, authentic chili sauce from Thailand is made only with carefully selected fresh chili peppers.

The unique taste gives that certain something as a dip or to spice up any dish.

Sriracha Mayo Sauce does not contain eggs and is therefore the ideal vegan alternative to the classic spicy cocktail sauce.

Refining

Are you looking for the perfect seasoning for noodle soup or a salad dressing? Simply mix in a dash of hot sauce and give it that certain something.

Topping

Is there anything missing from the meat? But what? The Sriracha sauce gives meat and fish the ideal heat.

Finishing

Give the dish the finishing touch: with the Uni-Eagle Sauce, every meal becomes an aromatic pleasure in no time - whether for a wrap, on bread or on a pizza.

Dipping

The pleasantly thick consistency and the intense and spicy taste of the Asia Chili Sauce make it particularly rich. Use straight from the bottle with the practical dosing cap or be creative and make your own favourite dip!
