

Jolca

A piece of Spain

There are some things that should never change.... At Jolca, we have been bringing the traditional and genuine taste of table olives to every table for more than half a century.

This long tradition has encouraged us to take the leap from our home in Aljarafe Sevillano to the rest of the world. This with the aim of preserving the memory of these unique and authentic flavours, no matter where in the world our products are enjoyed. Because there are things that should never change.

Today, Jolca is synonymous with quality and craftsmanship in Spain and is one of the leading companies in the table olive sector.
