

Nature's Charm

The vegan cream alternative

The ideal **vegan substitute for whipped cream made from cow milk**.

- For baking and for toppings on coffee and desserts
- A trend in the USA and England for a long time
- Rich coconut aroma without the addition of palm oil
- **100% vegan and lactose free**

This convenience product allows easy preparation of vegan coconut whipped cream in 10 minutes. The cream remains dimensionally stable for a long time.
