

Not Just BBQ

Bring your dishes to life

Not Just BBQ is a young, innovative and international brand, born at Foodkitchen; a company that has been creating innovative food products since 2003.

Not Just BBQ has its **roots in the BBQ world**. But because of the trendy design and the exquisite ingredients the brand has also conquered the **daily kitchen**.

All products have been developed with the idea that even the **most inexperienced cooks** should be able to make **delicious BBQ dishes** in no time - without making any concessions in quality.

All sauces, herbs and spices are made with care and attention and **from natural ingredients, without artificial additives**.
