

Real Thai

Real and traditional recipes of Thai cuisine

Real Thai stands for genuine and traditional recipes of Thai cuisine. Real Thai products are produced directly in Thailand and are thus absolutely authentic.

Thai cuisine is one of the most renowned in the world, as it is known for the variety of flavours from mild to outstanding spiciness. There are numerous delicious menus that you should not miss such as Massaman Curry, Green Curry, Tom Yum Soup, Panang Curry, Spring Rolls, etc.

With Real Thai products, we offer you the opportunity to cook in an uncomplicated way. Real Thai is a premium brand that offers you fascinating and healthy Thai cuisine with authentic ingredients, quickly and easily for every connoisseur at home.

Animal welfare is important to us. Therefore, the coconuts for the Real Thai coconut milk are harvested without monkeys.

Confirmation in the link "Harvest without monkeys".
