

Majestic Natura – new range: nuts and dried fruits

Majestic Natura is enlarging its range with nuts and dried fruits. All products are packed in practical and resealable doypacks with a viewing window on the backside. All labels are written in the three national languages of Switzerland (DE/FR/IT). The products are packed in shelf ready boxes bearing the Majestic Natura design.

For now we're offering 5 different SKU's but we'll enlarge our line in the near future.

CO₂-neutral

All products are sourced CO₂-neutral and bear the "Swiss Climate" official logo.
