

NEW at COOP – Horseradish from Bavaria

The two SCHAMEL products "Raspelstix®" and "Rachenputzer®" are now available at Coop.

The no. 1 of horseradish brand in Germany stands for best quality and pure indulgence.

Raspelstix® 145g glass jar

The root power extra kick in the Julienne cut.

Like freshly grated and nicely spicy!

Consumption recommendation: Ideal as a spicy addition to sausage, meat, for example burger, fish and also delicious with cheese.

Rachenputzer® 140g glass jar

...are sticks made out of freshly hand-picked and finely grated horseradish and is a naturally hot vegetable horseradish.

With its sharpness, it "cleans" the throat and gives all food a particularly spicy horseradish aroma. It contains no preservatives, no sweeteners, no flavor enhancers and no artificial colors or flavors and is also **100% vegan**.

Consumption recommendation: Ideal for preparing horseradish vegetables, warm horseradish sauces or for refining soups, dips, spreads and much more.
