## GUSTAV GERIG

## Raimond Frères

For the love of the sea

The brand "Raimond Frères" stands for a long tradition (since 1949) in the thon sector. The Raimond brothers founded their fishing company in 1949. Over the years, they specialized in the offer of thon and, thanks to their experience, they were able to build up a high level of competence. Since then, the best selection of thon with guaranteed quality has been offered under their name.

Since 1949, Raimond Frères has been the only Swiss brand to offer a complete range of thon for retail, foodservice and industry: Rosé, Light and White Thon.

The thon business is a core competence of Gustav Gerig AG and has top priority in the assortment. Thanks to many years of experience in purchasing, Gustav Gerig has the best trade relations with producers all over the world. Raimond Frères stands for best quality and responsible treatment of nature. Raimond Frères places the highest value on sustainability and is an MSC pioneer in Switzerland.
