

# CERTIFICATE

# CARBON OFFSETTING

Swiss Climate hereby confirms the issuance of carbon credits from high quality projects on behalf of:

Gustav Gerig AG  
Zürich

The following amount of CO<sub>2</sub> emissions has been offset

## 229 TONNES CO<sub>2</sub>

This means that the transport of Majestic products will be climate neutral in 2021 (based on 2020 data). The CO<sub>2</sub> certificates were issued by the following climate protection project:

- Energy-efficient cookers in India

With the help of specially developed, efficient cookers, Indian families can massively reduce their need for firewood. This stops the rapid deforestation and prevents many respiratory diseases.
