**To Whom It May Concern,**

We certify that the coconuts plantations supplied via our middlemen are monkey labor free. The coconuts are harvested by Humans with a pole with a curved knife at the end. We keep monitoring our supply chain and will immediately remove farm(s) if found that used monkeys according to our Policy against Monkey labor and animal cruelty in coconuts harvest.

**Best Regards,**

A blue ink handwritten signature is written over a blue dotted line. To the right of the signature is the THAITAN logo, which consists of a stylized blue 'T' above the word 'THAITAN' in a bold, blue, sans-serif font, with 'Foods International Co., Ltd.' in a smaller, blue, sans-serif font below it.
